REMOTE HANDLE CONTROLS

Low battery indicator

CRW800 CONSOLE FEATURES

The advanced monitor is sophisticated yet easy to use. Utilizing the large 5.5" display, all of the workout data is highly visible and well organized for easy reference. To eliminate the need to pause your workout to adjust the level of resistance, the CRW800 incorporates an advanced wireless remote system that allows you to adjust resistance on-the-fly with just your thumbs on the pull handle. In addition to the clearly defined display segments, the center display scans between program profile and 500m time.
