

Attain Fitness PT2 Personal Trainer

- 2 single handles, long bar, sport stick(allows for complex movements to simulate tennis, golf and baseball swings), tricep rope, chin/push-up assist strap, ankle cuff, 2 chains, integrated multi-grip chin bar (help users build upper body and hand grip strength.), DVD and attached exercise guidebook.
- Dual independent adjustable cable columns with 30 height starting positions that rotate 200 degree internally and externally allowing you to train your body at any angle and any height.
- Dual 160 lbs steel weight stacks with 2:1 resistance ratio to users. Each 160 lb weight stack provides up to a total of 80 lbs. resistance. This ratio allows for extremely smooth action, lower increment weight increases, and greater range of motion.
- 10 Year Warranty on Cables and Pulleys
- Lifetime Warranty on the frame
